Promote healthy oral health*

Vitalpax Dog Tooth Oil features a unique blend of carefully selected ingredients, including probiotics that help maintain a healthy balance of bacteria in your pet's mouth, and herbs that provide antimicrobial and anti-inflammatory properties to support oral health.

DIRECTIONS: Administer 1.3ml orally or mix with food once per day.

FLEA & TICK SPRAY

Protect your pets from pests*

Our Dog Flea and Tick Spray is a natural solution to protect your canine companion from pesky fleas and ticks. Formulated with a blend of carefully selected ingredients, this spray offers a safe and effective way to keep your dog free from these irritating pests.

DIRECTIONS: Shake well before each use. Spray a light misting product onto pet's coat and rub in. Do not soak or oversaturate. Avoid spraying into mouth and eyes by first spraying into your hand then rubbing onto pet's face. Use every 2-3 days or whenever pet has potential to be exposed to fleas/ticks. Can also be administered to areas frequented by pets but test small areas of fabrics first to avoid staining.

INGREDIENTS: Purified water, Organic MCT Oil, Organic Raw Apple Cider Vinegar, Organic Sunflower Oil, Organic Lemongrass Oil, Organic Neem Oil, Organic Catnip Oil.
